

# First International Congress of the Chilean Society for the Sciences of Religions

*Dialog, education and religious tolerance*

Concepción - Chile  
From May 23 to 26, 2017

# Call for Papers

December 1, 2016

With a total of 22 symposia approved, we invite both Chilean and foreign researchers to present their papers in the diverse thematic lines available. Here you can see the list of symposia: <http://www.schcr.cl/simposiosaceptados.html>

In order to send a proposal, you must contact the symposium coordinators directly. In case your paper proposal does not fit any of the symposia, it must be sent as a **free paper**, which will be assessed by the Scientific Committee of the Congress, and included in special symposia (1, 2 and 3) coordinated by the Organizing Committee. The e-mail for sending free papers is: [schcr2017@gmail.com](mailto:schcr2017@gmail.com)

## **Thematic lines for the symposium papers**

- 1) Theory and methodology in the study of religions
- 2) Phenomenology of religions
- 3) Symbology and Art in religion
- 4) Islam and Islamophobia
